

## CHICKEN RUN RESCUE SURRENDER INQUIRY TOLL

April 2009 through August 2010, Chicken Run Rescue received surrender inquiries for a total of 408 birds in contrast to previous averages of 40 per year.

(These are direct inquiries to CRR and do not include free ads in Craig's list, etc.)

The urban farming fad has created an epidemic of unwanted chickens, ducks and other species who are being callously killed or abandoned. Chicken Run Rescue is the only urban chicken rescue of its kind and places as many of these unwanted birds as possible but the public needs to be educated about responsible care and the consequences of breeding. Please pass the word not to breed or buy any animal - Adopt! There are never enough homes for displaced animals.
